

2nd Informal Civil Society Hearing, CND 2013  
Vienna, Austria

## NGO 4 Life

Meeting at the Ministry of Justice and Human Rights

NGO 4 Life, was established in 2008 as a non-partisan, non-profit organization whose goal is to actively contribute and cooperation to improve the health care system of Montenegro, the improvement of human rights and humanitarian work.

Work organization is based on preventive and curative activities of the problems of drug abuse and HCV. Since its establishing the program was attended by 78 addicts, thus we can say that we have achieved remarkable results.

## NGO 4 Life

Therapy session within prison

NGO 4 Life recently organized the treatment of drug users living with Hepatitis C who are currently serving prison sentences

## NGO 4 Life

Therapy session at the centre

NGO 4 Life recently developed social services to help and support drug users and their families in local communities

# Welcome to the CND Blog

Reporting live from the 56th session of the Commission on Narcotic Drugs (CND)

### Panel 1. How NGOs are contributing to the Political Declaration and Plan of Action

#### Introduction: Michel Perron

We asked members to share about 2 things they do to implement that plan of action, to demonstrate how valuable they are as 'assets' which is even more important in age of economic austerity where government is more restricted in its capabilities. He delivered PPT on members' contributions from Braha (Brazil), Canadian Centre on Substance Abuse, CEDRO (Peru), Centros de Integracion Juvenil (CIJ), Dianova, Euro T-C, Foundation for a Drug-Free Europe, Fundacion Atenea, IDPC, International Federation of Social Workers, the International Council of Women, **NGO 4 Life (Montenegro)**, Global Centre for Drug Treatment Courts, Organisation of the Families of Asia and the Pacific, The Partners in Prevention Drug Abuse Project, San Patrignano. **The work they do might change your perspective on what you are working on.**

### Na Panelu 1. Kako nevladine organizacije doprinose Političkoj Deklaraciji i Akcionom planu, Michel Perron, predsjednik Vienna NGO Committee on Drugs (VNGOC), je rekao:

„Zamolili smo naše članove da podijele po 2 stvari koje rade na realizaciji zajedničkog plana akcije, da pokažu koliko su oni bili vrijedni i dragocjeni kao "sredstvo", koje je još važnije sada, u doba ekonomske štednje, gdje su Vlade još više ograničene u svojim mogućnostima.“ Takođe, on je održao Power point prezentaciju organizacija članica koje su dale doprinos, a to su: NVO Braha (Brazil), Kanadski centar za zloupotrebe droga, Cedro (Peru), Centros de Integracion JUVENIL (CIJ), Dianova, Euro TC, Fondacija Drug-free Europe, Fundacion Atenea, International Drug policy Consortium (IDPC), Međunarodna federacija socijalnih radnika, Međunarodno vijeće žena, **NVO 4 Life (Crna Gora)**, Global Centre for Drug Treatment Courts, Organizacija porodica Aziji i na Pacifiku, Partneri u prevenciji Projekta zloupotrebe opojnih droga, San Patrignano. Gospodin Perron je na kraju poručio: „**Njihov rad može promijeniti vaš pogled na ono što radite.**“
